

Welcome to Rockbridge House

Thank you for choosing Rockbridge House to host your Hocking Hills vacation.

Life is amazing, exciting, adventurous, and beautiful. And sometimes we need to get away with friends and loved ones to fully appreciate with wonderful life. And providing that opportunity for you is the very reason I purchased Rockbridge House. To help create those times and memories for you. It was over 25 years ago that I began bringing my own family to Hocking Hills... a tradition that continues with my grandchildren. I cherish those times together... relaxing, playing, hiking, exploring, bonding, and enjoying the company of each other.

It is my dream that you will enjoy your time away, and find Rockbridge House to be a great place for fun and relaxation. I hope it provides all you need to return home refreshed and full of wonderful new memories.

If we can do anything more to achieve that goal, please give us a call at (614) 395-1776.

Thank you, and have a wonderful Hocking adventure!

Kyle Alfriend
